

**People helping people.  
We're proud to lend our support.**

You go all out to make a valuable contribution to the community. We think you deserve an experienced banking team that supports your vision—knowledgeable bankers who will match your dedication and help you navigate the unique challenges you face as a nonprofit organization.

To save you time we go the extra step and bring the bank to you, meeting you at your office or at the location of your choice.

**Expect better service. You'll get it at California Business Bank.**

## **Nonprofit services—**

*count on us to help your nonprofit organization function smoothly*

As a nonprofit, you offer a valuable community resource. At the same time, there is the challenge to use and grow your funds wisely. With our expert help, you can concentrate on what you do best while we take care of all the financial details.

We take pride in providing products and services geared to making your operation more effective, maximizing returns and assets, and meeting your nonprofit organization's financial objectives.

We share your commitment to serving the community. And we consider it a privilege to create solutions that make your job easier.
